YOUR DOLLARS AT WORK

ACS is a group of organizations working together to help people with disabilities and other challenges to live, work, play and succeed in our community. In 2019, over 3,500 individuals received services from ACS organizations. ACS organizations are not affiliated with the United Way of Dane County.

Ninety-five percent of the dollars we received in 2019 went directly to help people with disabilities and other challenges. One hundred percent of the contributions to ACS stay right in Dane County.

We are grateful to the donors that checked the area on their pledge card that says Access to Community Services and specified the total dollar amount that they wished to donate in the box. Whether their donation was distributed to each of the ACS agencies or only one, these important funds were wisely used to support people with disabilities.
